Spotlight
ENTERTAINMENTS

Here at Spotlight, we are always on the lookout for new acts to complement our roster of tried and tested artistes. This year we've added some exciting new bands and entertainers, ranging from a dynamic Electric String Quartet (left) to a Gypsy Kings tribute Band, a British Rock tribute and several new function bands. For something really different why not book our new Comedy Trolley Riding Grannies? (right).

Please see www.spotlightentertainments.com for demo tracks and further details.

Continental Culture

For themed events this summer, create the atmosphere of a French market, continental cafe or Venetian carnival with entertainment from our talented artistes. Ideas include Themed Carnival Stiltwalkers, French Mime Artistes, Commedia dell'Arte Characters, Accordion & Violin duos, Flamenco Dancers, Moulin Rouge Dancers, French Chanteuses and Spanish Guitarists. Give us a call or see our web site for more ideas.
